How It Works

How does it work?

First you must understand an affiliate program is a partnership between yourself and an online merchant that sells goods or services. Your responsibility is to get visitors to click the links on your web site, sending them to the merchant's site. If the visitors make a purchase you'll be paid commissions. If a order is not placed some merchants even pay just for having visitors directed to their site.

How It Works

Does it really work?

There are countless success stories and examples of profitable working affiliate relationships on the internet. For instance Ebay.com says, "Our top 100 affiliates average nearly \$25,000 in commissions each month." With thousands of affiliate programs on the internet and hundreds more each year the sky is the limit. So what are you waiting for?

The Results Group logo is in the top left corner. The main content area is titled "Programs" and lists the following affiliate programs: Amazon.com, AllBetsPoker.com, and DishPronto.com. Below the list, there is a promotional text block: "The largest and most successful online affiliate program since '94! Over 900,000 Web sites have joined as Amazon.com Associates! Why? Because their program works for you. Period! If You Own a Web Site start making money today and earn up to 10% in commission." To the right of this text are "up" and "down" navigation arrows.

The Results Group offers a 105% money back guarantee of the website(s) startup fees to any associate (client) who has actively advertised the website(s) business for 6 months. If after 6 months the associate (client) has not made at least 105% of the website(s) fees, the associate (client) has 30 days to contact customer service @ 1-800-573-9031 and request a refund of those startup fees plus 5%. Proof of advertisements, restrictions, and exclusions may apply. Void where prohibited
